dated June 2, 2006 No. 404

Regulation
about the state educational grants for
training of students in the state higher educational
institutions of the Kyrgyz Republic
(As amended by the resolutions of the Government of the Kyrgyz Republic dated August 27, 2007 No. 377, June 3, 2009 No. 336, January 31, 2012 No. 69, June 19, 2012 year No. 429, June 16, 2014 No. 328, December 7, 2015 No. 841, March 28, 2018 No. 157, June 11, 2018 No. 279)

This Provision is developed in accordance with the Law of the Kyrgyz Republic "About education" and establishes the mechanism of implementation of the state order in the field training of specialists in the areas of the Republic of fields and professions, and the procedure of competitive selection and admission to public universities (hereafter - HEI) of the Republic according to the results of nationwide testing and the award of the state educational grants.

I. State educational grant

1. State educational grant (hereinafter referred to as grant) - gratuitous financial resources allocated by the state to a specific person (hereinafter referred to as the grant holder) for training at a state university in a direction or specialty included in the state order for training specialists in priority areas and specialties for the republic.
2. The size and number of grants in the context of ministries, specialties are determined by
By the Government of the Kyrgyz Republic on the proposal of the Ministry of Education and Science
Of the Kyrgyz Republic (hereinafter referred to as the Ministry).
(As amended by the resolutions of the Government of the Kyrgyz Republic of August 27, 2007 No. 377, June 19 2012 No. 429).
3. Grants (in addition to grants allocated for professions in the sphere of culture, art, physical culture and sports) provided on a competitive basis to citizens of the Kyrgyz Republic, with secondary General or vocational secondary education results of Republican tests (more testing) applicants
by independent testing service (ITS), as well as foreign nationals, if there are relevant international agreements between the Kyrgyz Republic and the relevant state.
4. The grant is used by the university for expenses related to the educational process, organizational and educational activities, as well as for the payment of a scholarship to the grantee, depending on his academic performance.
(As amended by the Resolution of the Government of the Kyrgyz Republic No. 157 of March 28, 2018)
5. (Expired in accordance with the Resolution of the Government of the Kyrgyz Republic of June 16, 2014 No. 328)

II. Grant commissions

6. In order to ensure an objective and transparent competitive selection and enrollment of applicants who have passed the test in the universities of the republic, independent grant commissions (hereinafter referred to as commissions) are established in the universities:
- rector of the university (chairman of the commission);
- a representative of the central or regional education authority;
- one representative of the management of each faculty of the university, in the areas and specialties of which competitive enrollment is conducted based on the results of testing.

7. The administration of the university provides the commission with a room, sealed boxes (urns) for collecting exportation vouchers of certificates, separately for each faculty, and

stands for posting information about the course of the competition and enrollment of applicants to the university, as well as provides other organizational services for the successful performance of the commission's duties.

8. The commission's responsibilities include:

- sealing and installation of boxes (bins) for the collecting exportation vouchers of certificates in the presence of all members of the commission, as well as direct observation of the process of collecting exportation vouchers of certificates by applicants during the specified time;
- opening of boxes (urns) and counting separately for each box (urn) the number of collecting exportation vouchers of certificates in the presence of all members of the commission;
- preparation of protocols on the number of tear-off coupons of certificates separately for each box (urn), signed by all members of the commission;
- preparation of rating lists of applicants participating in the competition, which are signed by all members of the commission;
- preparation of lists of applicants recommended for admission to the university for each category of applicants;
- transfer of lists of applicants who have confirmed their desire to be enrolled in the university and recommended for admission to the university, in the NTS to confirm the test results in the prescribed form;
- daily and timely update of information on the stand and the university's website about the course of the competition and its results.

(As amended by the Resolution of the Government of the Kyrgyz Republic No. 157 of March 28, 2018)

9. The Commission performs its duties openly and openly. At the meetings of the commission, the right to observers from international and non-governmental organizations and the media will be present.

9-1. (Revoked in accordance with the decree of the Government of the Kyrgyz Republic of March 28, 2018 No. 157)

9-2. (Revoked in accordance with the Government Decree of the of the Kyrgyz Republic of March 28, 2018No. 157)

9-3. (Expired in accordance with the Government Decree of the of the Kyrgyz Republic dated March 28, 2018 No. 157)

III. The procedure for selecting and enrolling applicants in universities

10. Competitive distribution of grants is carried out on the basis of the results of the current year's testing (except for grants allocated for the specialties of culture and art, physical culture and sports). Results of the nationwide testing passed an applicant before completing their compulsory military service, valid for 3 years.

(As amended by the Resolution of the Government of the Kyrgyz Republic No. 279 of June 11, 2018)

11. Out of competition, the following are credited:

- applicants who have scored the highest points in the current year according to the results of testing, to the selected state universities for any specialties and areas of training implemented in these universities. The number of grants for enrollment of this category of applicants should not exceed 50. Enrollment of applicants in this category is carried out by the ministry before the start of the first round of enrollment;
- applicants who have taken the 1st place in the republican Olympiad of schoolchildren this year or are prize-winners of international Olympiads, in their specialties and directions scientific, humanitarian and socio-economic, medical, agricultural and technical profiles, which coincide with the subject of the Olympiad, at the choice of applicants, subject to their participation in the national testing;
- applicants who took the 2nd place in the republican olympiad of schoolchildren this year, in the specialties and areas in which the subject of the olympiad is the main one, provided that they participate in the nationwide testing;
- applicants who took the 3rd place in the republican olympiad of schoolchildren this year,

for pedagogical specialties in which the subject of the Olympiad is the main one, provided that they participate in the nationwide testing.
(As amended by the resolutions of the Government of the Kyrgyz Republic of June 3, 2009 N 336, June 19, 2012 No. 429, June 16, 2014 No. 328)
12. Competitive distribution of grants and enrollment of applicants to universities based on the results of testing can be carried out separately, within separate categories of applicants.
Instructions on the categories of applicants and the order of distribution of grants for them are approved By the Government of the Kyrgyz Republic. Disabled persons of groups I and II, persons equated with war participants and war invalids on benefits and guarantees, disabled children of childhood, disabled children, orphans and children left without parental care, persons of Kyrgyz nationality who are not citizens of the Kyrgyz Republic, children of persons who died in the events of March 17-18 in the Aksy district of Jalal-Abad region, in the April, May and June events of 2010, persons with the status of kairylmans are enrolled in universities on the basis of a competition, within the quota of grant places for this category of persons, approved annually By the Government of the Kyrgyz Republic. Persons from among the rural youth (graduates of rural schools) are enrolled in grant training within the quota of grant places determined in the state budget in accordance with the Instructions on the categories of applicants and the order of distribution of grants for them.
(As amended by the resolutions of the Government of the Kyrgyz Republic of June 19, 2012 No. 429, June 16, 2014 No.328, December 7, 2015 No. 841)
13.Those applicants who have successfully passed these tests are allowed to apply for competitive admission to areas and specialties that require additional tests or additional subject tests, the list of which is approved by the Ministry.
(As amended by the Resolution of the Government of the Kyrgyz Republic of June 19, 2012 No. 429)
14. Competitive distribution of grants and admission of applicants to the specialties of culture and art, physical culture and sports is carried out on the basis of special tests conducted by universities. The list of universities and specialties for which the test results are not required for admission is determined by the Ministry.
(As amended by the Resolution of the Government of the Kyrgyz Republic of June 19, 2012 No. 429)
See:
the order Ministry of Education and Science of the Kyrgyz Republic of May 3, 2007 No. 231/1 “On approval of the list specialties”;
the order Ministry of Education and Science of the Kyrgyz Republic of April 14, 2009 No. 257/1 “On approval of the list specialties”;
the order of the Ministry of education and science of the Kyrgyz Republic of January 22, 2019 No. 48/1 “On approval of the list specialties”
15. Information about the need to pass additional tests or additional subject tests to participate in the competition for a grant and to fulfill any additional conditions related to them is communicated to the applicant and his parents before the start of the national testing.
(As amended by the Resolution of the Government of the Kyrgyz Republic of June 19, 2012 No. 429)
16. The procedure for competitive distribution of grants and selection of applicants to universities based on the results of testing is carried out by commissions in two rounds. If there are unclaimed grants, a third round of selection may be held after the second round upon request university and with the permission of the ministry. The rules and procedures for competitive selection and enrollment in
all three rounds are identical.
17. The terms and procedure for conducting rounds of selection and enrollment of applicants based on the results of the nation testing are established by a separate regulation approved by the Government of the Kyrgyz Republic.
(As amended by the Resolution of the Government of the Kyrgyz Republic of June 19, 2012 No. 429)
18. Universities submit reports to the Ministry on the number of enrolled applicants within 3 days after the end of the competitive enrollment procedure.

(As amended by the Government Decree of the Kyrgyz Republic of June 16, 2014No. 328)
19. Applicants who have not passed the competition for training under grants have the right to participate in competitions based on the test results and be enrolled in higher and secondary vocational educational institutions for training on the basis of a contract with the payment of tuition fees, as well as in secondary vocational educational institutions for training at the expense of the republican budget.
(As amended by the Government Decree of the Kyrgyz Republic No. 157 of March 28, 2018)
20. In case of violation of the enrollment procedure, the applicant or observers have the right to 3 days to appeal to the ministry.

IV. Observers

21. In order to ensure a transparent, open and objective selection and admission of applicants to universities on a competitive basis, based on the results of testing, the Ministry forms and approves a list of observers for the selection of applicants to universities from representatives of international and non-governmental organizations and the mass media, state bodies of the Kyrgyz Republic. The number of observers in each university should not exceed 10 people.
(As amended by the Resolution of the Government of the Kyrgyz Republic of March 28, 2018 No. 157)
See:
the order of the Ministry of Education and Science of the Kyrgyz Republic of June 23, 2010 N 380/1 “On approval of the list of observers"
22. Observers are granted free access to the premises where boxes (bins) are installed for collecting exportation vouchers of certificates, to the meetings of the commission and the right to observe all procedures, starting from the collection of tear-off certificates to the compilation of lists of applicants recommended for admission to the university.
23. Observers may not directly participate in the work of the commission, take actions that hinder the work of the commission, participate in or interfere in the decision-making process of the Commission.

V. Rights and obligations of the grant holder

24. The grant holder has all the rights and obligations in accordance with the legislation of the Kyrgyz Republic and the charters of universities.
25. The grant holder who has stopped studying for a valid reason (health condition, family circumstances, temporary departure from the republic), retains the right to a grant when reinstated to study at this university.
(As amended by the Government Decree of the Kyrgyz Republic No. 157 of March 28, 2018)
26. The grant holder is obliged to acquire theoretical knowledge, professional skills and skills at the level of the requirements of state educational standards, to perform all types of tasks provided for in the curriculum and training programs within the established time frame, to comply with the charter of the educational institution and the internal regulations.
27. Transfer of grant holders from one university to another or within one university to an unrelated specialty is not allowed. Transfer of a grant holder with a grant from a university to a university for the same or related specialty in exceptional cases is allowed by the university only for a good reason (for health reasons, change of residence) and if there are supporting documents.
(As amended by the Government Decree of the Kyrgyz Republic of March 28, 2018 No. 157)
27-1. The grant holder is obliged to reimburse the educational organization for the costs of training a specialist in the amount of the state educational grant, in the case of:
- refusal to work in the direction after completing training in pedagogical, pharmaceutical or medical specialties;
- deductions from the university for a disrespectful reason or on their own;
- deductions from the university in connection with the transfer to an unrelated specialty or to study under a contract with the payment of tuition fees.
(As amended by the Government Decree of the Kyrgyz Republic No. 157 of March 28, 2018)

27-2. Persons (with the exception of persons studying in educational institutions) are exempt from reimbursement of the cost of training in the amount of a state educational grant
Ministry of Internal Affairs of the Kyrgyz Republic, who are reinstated for training under a contract with the payment of the cost of training and agree to fulfill the obligation to work out after the end of training in the direction of the commission for the personal distribution of graduates.
(As amended by the Government Decree of the Kyrgyz Republic No. 157 of March 28, 2018)

VI. Rights and obligations of the university in relation to the grant holder

28. The university is obliged to create equal learning conditions for grant holders and students, students on the basis of a contract with the payment of the cost of training.
(As amended by the Government Decree of the Kyrgyz Republic No. 157 of March 28, 2018)
29. The university has the right to expel the grant holder from the number of students in the following cases:

- failure to develop theoretical material, professional skills and abilities at the level of the requirements of state educational standards;
- failure to complete all types of training tasks within the time limits provided for in the curriculum and training program;
- non-compliance with the charter and internal regulations of the university.

30. In the event of the grant holder's expulsion, the university is obliged to officially report this to the ministry.
31. The university is obliged to submit quarterly information on the number of grant holders and submit financial reports on them.
